NONDISCLOSURE AND RELEASE BIND

Know all men by these presents, that Tonja Catherine Burden of 210 California st., Las Vegas, Nevada (hereinafter called the Obligor) is held and firmly bound to the Church of Scientology of California (hereinafter called "the Church"), a corporation organized and existing under the laws of the State of California, and having its principal place of business at Clearwater, Florida and Los Angeles, Calif., in the sum of 10,000.00 (Ten Thousand Dollars) to be paid to the said Church, its executors, administrators, or assigns, as liquidated damages and not as a penalty, for the payment of which sum, well and truly to be made, the Obligor hereby binds himself, his heirs, executors, administrators and assigns firmly by these presents.

WHEREAS the Church has hired or otherwise employed the Obligor AND WHEREAS Obligor is employed by the Church and is receiving the services and ministrations of the Church,

NO EFFECT the above written obligation is conditioned to be void in case the Obligor shall hereafter well and truly agree that he/she will never disclose any information, data, or knowledge he/she has or will learn about the organization of the Church or any of the Church's affiliated Churches, Missions or Organizations including but not limited to their internal structures, functions or activities, and certain information which may be orally imparted to the Obligor in the course of his/her having been or being a staff member of the Church. The Obligor recognizes that any information or knowledge gathered is done so in a relationship of trust and confidence. The Obligor recognizes that he/she will have a fiduciary duty to the Church not to reveal any information of any nature which might tend to harm, malign, damage, or injure or adversely affect the Church in any of its activities or conduct.

Inasmuch as the actual damages, which could result from a breach of the Obligor of his/her duties under this agreement, are uncertain and would be impractical or extremely difficult to fix, the Obligor promises to pay to the Church the above mentioned sum of 10,000.00 for each such breach.

Obligor also releases the Church from any and all claims which may exist now but are not known, by hereby expressly waiving the provisions of Section 1542 of the Civil Code of California, which reads in full as follows:

"Section 1542. (Certain claims not affected by general release.) A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected the settlement of the debtor." In the event any provision hereof shall be illegal or unenforceable, then and in any such event, the same shall not affect the validity of the remaining portions and provisions hereof.
